

Riker Danzig Receives “Champion of Good Works” Award from CIANJ

Riker Danzig is proud to have received a "Champion of Good Works" award on March 10th from the Commerce & Industry Association of New Jersey at its Chairman's Reception: "Saluting the Generosity of Business: Companies That Care." The awards program seeks to provide "testimony to the corporate philanthropy that helps make New Jersey a great place to live, work and raise a family." Riker was selected for a "Champion of Good Works" award for our work with the Table of Hope Soup Kitchen.

Frank Vitolo, who serves on the Board for the Table of Hope, accepted the award on behalf of Riker at the event, held at the Stony Hill Inn in Hackensack. The Table of Hope is a Morristown soup kitchen that serves meals to approximately 100 individuals each weeknight, and also functions as a food pantry for individuals and families in need. Riker was lauded for our financial and Board support and also our contribution of time to the kitchen. The "Companies That Care" awards are covered in the March issue of Commerce magazine.
